    [The deposition commenced at 1:40 p.m., April 8, 2011.]
 1
              MS. BLINN:
                                   All right. So, we just turned
 2
    the video camera on and an audio recorder, and what time is it
 3
    right now? It is twenty 'til two, right? 1:40 p.m.
              In the room are Staff Attorney, Jamie Lau, from the
 5
    North Carolina Innocence Inquiry Commission, Executive
    Director, Kendra Montgomery-Blinn, from the North Carolina
7
    Innocence Inquiry Commission, Administrative Assistant
8
9
    Aschante Pretty, from the North Carolina Innocence Inquiry
    Commission, Mr. Kenneth Kagonyera and his Attorney Frank
10
    Wells. Those are the only people in the room. We've got a
11
    video recording and an audio recording.
12
              We're about to do a deposition. Does anybody have
13
    any questions before we start? Does everybody understand why
14
15
    we're here today?
                                   Yes, ma'am.
              MR. KAGONYERA:
16
                                   Okay. All right.
17
              MS. BLINN:
              Aschante is a notary, and she's gonna go ahead and
18
    swear you in.

    SWORN WITNESS: KENNETH M. KAGONYERA
20
                                   All right. Well, Mr. Kagonyera,
              MS. BLINN:
21
    my name is Kendra Montgomery. I'm the Director of the
22
    Innocence Inquiry Commission, and I know that you've been
23
    interviewed before by Mr. Lau, and that, you've answered a lot
24
    of questions about this case. What I want to do today is
25
```

```
State v. Kagonyera & Wilcoxson, III
                              00 CRS 65086 & 65088
                                                    April 8, 2011
   we've got you under oath and ask some questions as though you
   were testifying before the Commission. So, this essentially
2
   your testimony to the Commission. If -- if I don't ask you
   something that you want to tell me, that's all right. You
   don't have to only answer the questions. If you think of
   something else you're welcome to tell me.
             The North Carolina Innocence Inquiry Commission, as
   I think you already know, is a state agency. We do not
   represent you. We do not represent the prosecutors. We're
   just neutral fact-finders. It's our job to investigate your
   innocence claim that you've sent to us and look at evidence
   that wasn't available at the time that you pled and
   investigate that evidence fully. If I ask you a question and
   -- well, all I want you to do is tell me the truth to every
   single question that I ask you and if I ask you a question and
   you do not know the answer, then, the truth is I do not know,
   and I want you to tell me that. I don't want you to tell me
   what you think I want to hear. If I ask you a question and
   you cannot remember, that's -- that -- that's the truth.
   That's what I -- I want ----
             MR. KAGONYERA:
                                Okay.
             MS. BLINN:
                                 ---- you to tell me. Tell me
   what you can remember, but if you can't remember it, please
   don't try to fill in the blanks from what you think. Tell me
```

what you can remember versus what you think.

             MS. BLINN:
                                 Okay.
 2
             MR. KAGONYERA:
                                He was -- is my cousin.
 3
             MS. BLINN: Was he also your friend,
4
    somebody you hung out with?
5
             MR. KAGONYERA: Yes -- yes, ma'am.
             MS. BLINN:
                                Okay. How's he related to you?
6
7
             MR. KAGONYERA: He's my -- well, he's my
    stepfather's sister's son.
8
9
             MS. BLINN: Okay. So, he's kind of a distant
    cousin.
10
11
             MR. KAGONYERA:
                            Yes, ma'am.
                               Okay. All right; and, same type
12
             MS. BLINN:
   of way that you guys hung out? I mean, did you ride around,
13
14
    do drugs together, those kinds of things, or ----
15
             MR. KAGONYERA: Yeah.
             MS. BLINN:
                                ---- Okay.
16
17
             MR. KAGONYERA: Yeah, we were raised together,
18
   so ----
19
             MS. BLINN:
                                Okay. How about Teddy Isbell?
20
             MR. KAGONYERA: We were -- we -- I considered
   him a friend, too.
21
22
             MS. BLINN:
                                Okay; and, you seem to hesitate
   a little bit more, what's the difference with him than the
23
24
   other guys?
            MR. KAGONYERA: Well, -- I really met him -- he

    did drugs, hardcore drugs, cocaine, and I kind of provided it
    for him.
2
             MS. BLINN:
                                 Okay.
3
             MR. KAGONYERA: And he did like -- small tasks
4
    like maybe -- mechanic work or -- any -- any -- any -- you
5
    know, hard like -- like cutting grass sometimes. So, you
    know, we didn't really hang out like socializing or with, you

9
             MS. BLINN:
                                Okay. So, not as much friends

             MR. KAGONYERA: Yes, ma'am.
11
12
             MS. BLINN:

             MR. KAGONYERA:
                                No.
             MS. BLINN:
                                I'm just trying to understand.
15
    Okay. How about Aaron Brewton?
16
             MR. KAGONYERA: I -- I can't really consider him

19
                                 Uh-huh.

22
                                 Uh-huh.
             MR. KAGONYERA: ---- and we would speak from

                               All of them.
14
             MS. BLINN: ---- hanging around?
15
             MR. KAGONYERA: Hanging around, yes. All of 'em
16
   -- all of 'em stayed out there ----

 5
              MR. KAGONYERA: No, ma'am.

             MR. KAGONYERA:
                                  ---- Bethea. That was the
1
    following week -- the morning of the -- was that the 19^{th},
2
   like the Tuesday following -- because I had a court -- I had a
3
    court date that morning, too. But, yes, breaking and entering
4
   happened that morning, and.
5
             MS. BLINN:
                                When you say a breaking and
6
    entering happened. Do you mean you did a breaking and
7
   entering?
             MR. KAGONYERA: Yes, ma'am. I -- I was there
9
    when a breaking in occurred, and that's when that all
10
   occurred, and I was -- charged -- well, I didn't -- I didn't
11
    get charged until I got locked up, and then, I got charged
12
   with that and everything. All that happened, and then, I went
13
14
    to court that morning, but he stays in Pisgah View Apartments,
15
    too.
                                  Now, I mean, I need you to be
              MS. BLINN:
16
    really honest with me. You just said you were there when the
17
   breaking and entering occurred. Do you mean you were there
18
   because you were a witness in the house, or you were there
19
    because you were doing the breaking and entering?
20
              MR. KAGONYERA: I was there in the break -- part
21
    of the breaking and entering.
22
              MS. BLINN:
23
                                Okay. You were participating in

                                  Okay. Now, you just told me

    - I guess I consider it a really -- thinking about it, I
7
    considered it, "Okay. Well, I can go in here. No one's home
8
    and -- and come back out." You know, it's just that simple.
9
    That's -- that's how I thought at that time. You know, I
10
    didn't feel like it was really any -- anything, you know, like
11
    going out and -- robbing a bank or something. You know, I
12
    felt like it was, you know, just, you know, walking in and

5
    you don't have to think or just worry about someone harming
7
    you or you harming them. You know, you just gonna go in and
8
    kind of hurry up and get back out. Like, to go into someone's
9

    weapons before, but at that point in my life, I was trying to,

    you know, stay away from, you know, stay away from weapons and

8
                                 Okay.
             MR. KAGONYERA: That was like just before they

10
11
             MS. BLINN:
                                Why do you think they let him

13
             MR. KAGONYERA: I quess because he never
    actually -- he never actually plead and he probably didn't

15
    got five out of six. So, I guess he just said I don't know.
16
             MS. BLINN: What would you do now if you
17
    were doing it over again?
18
             MR. KAGONYERA: Well, probably -- I -- I know I
19
    would go to trial now, because, you know, I know more about
20

              MR. KAGONYERA:
                                 Well -- well, it took them like
    -- well, I had been charged for like a month, you know, so, I
 2
    had been locked up like 90 days or so, you know. So, I was
    like, what are you talking about, you know? So, at the -- at
    the time I was like, well, you know, you don't have my --
 5
    you're not my friend, you know. So, and then, it ended.
6
              MS. BLINN:
7
                                  Okay.
              MR. KAGONYERA: You know, then they called me
8
    back into the room, and they was like well, what are you going
    to do? I'm -- I'm willing to give you 25 years right now if
10
    you tell us what we want to hear. So, I was like no, and then
11
12
    -- then the -- the meeting ended, and then, I went back.
              MS. BLINN:
                                  Okay; and, so, that was -- you
13
    said when you talked with Mr. Wadsworth, that was about a
14
   month after you'd been charged; about three months after you'd
15
    been locked up, because you'd been locked up on other charges
16
    first, right?
17
18
              MR. KAGONYERA:
                                 Yes, ma'am.
              MS. BLINN:
19
                                  Okay; and, was that the last
   time you talked with Mr. Wadsworth?
20
             MR. KAGONYERA:
                                 Yes, ma'am.
21
22
              MS. BLINN:
                                  So, would you consider him a
   friend, now?

             MR. KAGONYERA:

                                 No, ma'am.

    State v. Kagonyera & Wilcoxson, III
                                                     April 8, 2011
    couple people in custody, we already talked about Mr. Dickie,
 1
    how about a person name Randy Hodge; do you remember talking
 2
    to him, he's a white quy?
3
              MR. KAGONYERA: White guy, heavy set -- Hodge --
4
    I -- I want -- I'm thinking it was a heavy set, white guy,
5
    from Rutherford County, if I'm not mistaken.
              MS. BLINN:
                                  Okay; so, you do remember him?
7
              MR. KAGONYERA:
                                  I'm not sure, but I believe
8
    that's him.
              MS. BLINN:
                                  Okay; and, what about him?
10
11
              MR. KAGONYERA:
                                  I just remember -- you know, you
    basically associate when you talk to him -- okay what are you
12
13
    locked up for, how much time do you got? You kinda remember
    someone based on what they're locked up for or how much time
14
    they got, you know. And I kinda remember he was, if I'm not
15
    mistaken, a federal inmate, had tattoos.
16
              MS. BLINN: Did you talk to him about your
17
    case?
18
                                 Maybe saying that -- you know --
19
              MR. KAGONYERA:
    you know, that's basically when someone meets you they ask you
20
21
    why are you locked up, and I might have told him why I was
    locked up, you know, but never -- can't even recall have a
22
    long drawn out conversation with him.
23
24
              MS. BLINN:
                                 Did -- you never told him that
25
   you did this crime?

ĺ
              MR. KAGONYERA: We were on separate cellblocks
2
    up until, I believe, after pre-sentencing, and then, somehow
3
    or another after 2001 -- sometime in 2002 we were on the floor
    together.
5
              MS. BLINN:
                                 You and Damian were?

              MR. KAGONYERA:
                                 Yeah, this was after -- after

              MS. BLINN:
9
                                 Okay. How about a man, in jail,
    named Millis Bryson; does that ring any bells?
10
              MR. KAGONYERA:
                                 Yes, I know him.
11
              MS. BLINN:
12
                                 Okay. Can you tell me about
13
   him?
14
              MR. KAGONYERA: I know him from my son's mother.
   They're some type of relatives or something or another, but --
15
    it's supposed to be his brother -- her brother or cousin or
16
    something or other. So, that's how I know him -- that's how
17
    -- that's how I spoke to him when he come -- came to the
18
   county jail. That's how I know him.
19
              MS. BLINN:
20
                                 Okay. So, you -- you did talk
   to him at the jail?

22
              MR. KAGONYERA:
                                 Yeah, I spoke to him -- me and
   Mr. Brewton we were on the floor together just -- right before

   two months, and that's when he came up ----

             MS. BLINN:
                                 Did you know when you pled
    quilty what happened with that -- the comparisons?
19
20
             MR. KAGONYERA: I never -- no -- no, ma'am. I
   didn't know.
21
             MS. BLINN:
                                 Do you know now?
22
             MR. KAGONYERA: Yes, ma'am.
23
             MS. BLINN:
                                 And when did you -- when did you

 Ī
              MR. KAGONYERA: I first found out, I think, it
 2
    was 2004. I think it was 2004 and ----
 3
              MS. BLINN:
                                   What did you find out in 2004?
 4
              MR. KAGONYERA:
                                   Well, I -- I -- that's when --
 5
    that's when I first actually heard something about a results -
 6
    - the results or something or another.
              MS. BLINN:
                                   How did you hear that?
7
              MR. KAGONYERA: From a -- a inmate -- I was at a
 8
9
    prison, Mountain View Correctional, and an inmate transferred
10
    in, and he said he was at another facility down the street
11
    with Mr. Isbell, and Mr. Isbell was still in the County -- or
    just -- no he had just left the County and came to the prison
12
13
    and they were side-by-side in a dorm or something or another,
14
    and I -- I -- I don't know what happened, but somehow or
    another they -- he -- he never received a -- or they threw his
15
    murder charge -- he doesn't have a murder charge. So, his
16
17
    lawyer turned over all this paperwork, and it's in the
18
    paperwork, it was some type of results or something like -- he
19
    said he saw them with his own eyes.
                                  So, this inmate told you that he
20
              MS. BLINN:
    saw the DNA results in Teddy Isbell's Discovery?
21
22
              MR. KAGONYERA:
                                  Yeah.
23
              MS. BLINN:
                                  Okay.
              MR. KAGONYERA: And there was something about
24
25
    some results or -- and -- or -- and -- and a statement.

                                And this is the first time you'd

    heard about the results?
             MR. KAGONYERA:
3
                                 Yeah, and the statement. Yeah.
             MS. BLINN:
                         And the statement?
             MR. KAGONYERA:
                                 Yeah.
             MS. BLINN:
                                 What kind of statement?
6
7
             MR. KAGONYERA: From Mr. Rutherford, and that's
   when he was like, "Well, I read this" you know. That's when
8
   he said, "I read the statement and everything." So, he knew
   Mr. Rutherford, he knew Mr. Isbell, he didn't know me, but
10
   another gentleman introduced him to me, and that's when -- he
11
   was like, "You need to do -- man, you need to do something
12
   about this."

             MS. BLINN:

   you know, -- I don't -- I don't -- I can't match anything --
17
18
   it's not -- it's not -- that's no possibility that I can match
   anything because I wasn't there. So, I already knew in my
19
   head, I just never -- I didn't have it my hand. I didn't know

   any way to get it, you know, so.

    request information. I asked all type -- you know, anything -
    - anything that I could, you know, I was told I to try, you

6
              MR. KAGONYERA:
                              The Sheriff's Department, the
7
    District Attorney, the -- the -- the Magistrate. I think I
8
    wrote the Magistrate one time, too.
              MS. BLINN:
                                  Did you ever get any responses

11
12
              MR. KAGONYERA: I got a response one time. I
    wrote -- I wrote -- I wrote for the records, and they said
13
14
    that I'd already received my Discovery, that I can't receive
    another Discovery or something or another. That's what the --
15
    that's basically what the -- the response said. The Sheriff's
16
    Department wrote back and said they didn't have anything, that
17
    the District Attorney had it; everything was turned over. I
18
    wrote District Attorney, he never -- he never responded, and

22
             MR. KAGONYERA:
                                  I saw the statement. Did I --
